

It's on its way. *Your report is being made.*

Your Intentional Astrology Report is created personally for you. Before I can begin, I need a few details. Here's what to do next.

MADE FOR YOU

STEP 01

Complete your intake form

This is how I get the birth data I need to build your report. The more precise your information, the more accurate your reading.

- Full birth date (month, day, year)
- Exact birth time, as accurate as possible (check your birth certificate if you're unsure)
- Birth city and country

COMPLETE THE INTAKE FORM

STEP 02

Wait for your report

Once you've submitted the form, your report will be delivered within **5-7 business days** to the email address you used at checkout.
